The Window To Life

Through the window, students decide  
which way to go,

As in the past some decide early,  
some never know.

With each passing moment the window  
moves forward;

Only you can decide what it's  
moving toward.

Look what's gone past, you've let  
it go by;

Now look ahead and try to decide.  
It may be foggy and not very clear,  
But remember it's your future and  
it's coming near.

You can open the window, you can  
let it come in,

Or sit back and watch it, until  
you want to begin.

The window to life, what will it do?  
It can help you decide, it will give  
you a clue.

Look for it, harder, the window  
on your side.

Now look again, harder, don't let it hide.

God bless those who look,

God bless those who try,

And please God help all find

THE WINDOW TO LIFE.

Susan Iffrig

No longer forward or behind  
 I look in hope or fear;  
 But grateful take the good I find,  
 The best of now and here.

We have learned that we cannot live alone at peace; that our own well-being is dependent on the well-being of other nations far away. We have learned that we must live as men, and not as birds, nor as dogs in the manger. We have learned to be citizens of the world, members of the human community.

## Dedication

We the seniors of 1972 have chosen to dedicate our annual to Mr. Bear. We hope the dedication will serve as a statement of our appreciation for an outstanding person.

Mr. Bear Graduated from Western Washington State College with a Master in Mathematics. He has taught at Lake Stevens High School since 1962. During those years he has taught chemistry, physics, and Biology as well as Mathematics.

Coaching has been an important part of Mr. Bear's career. In the past he has been an assistant basketball and football coach. He is presently head track coach and head football coach.

## Administration

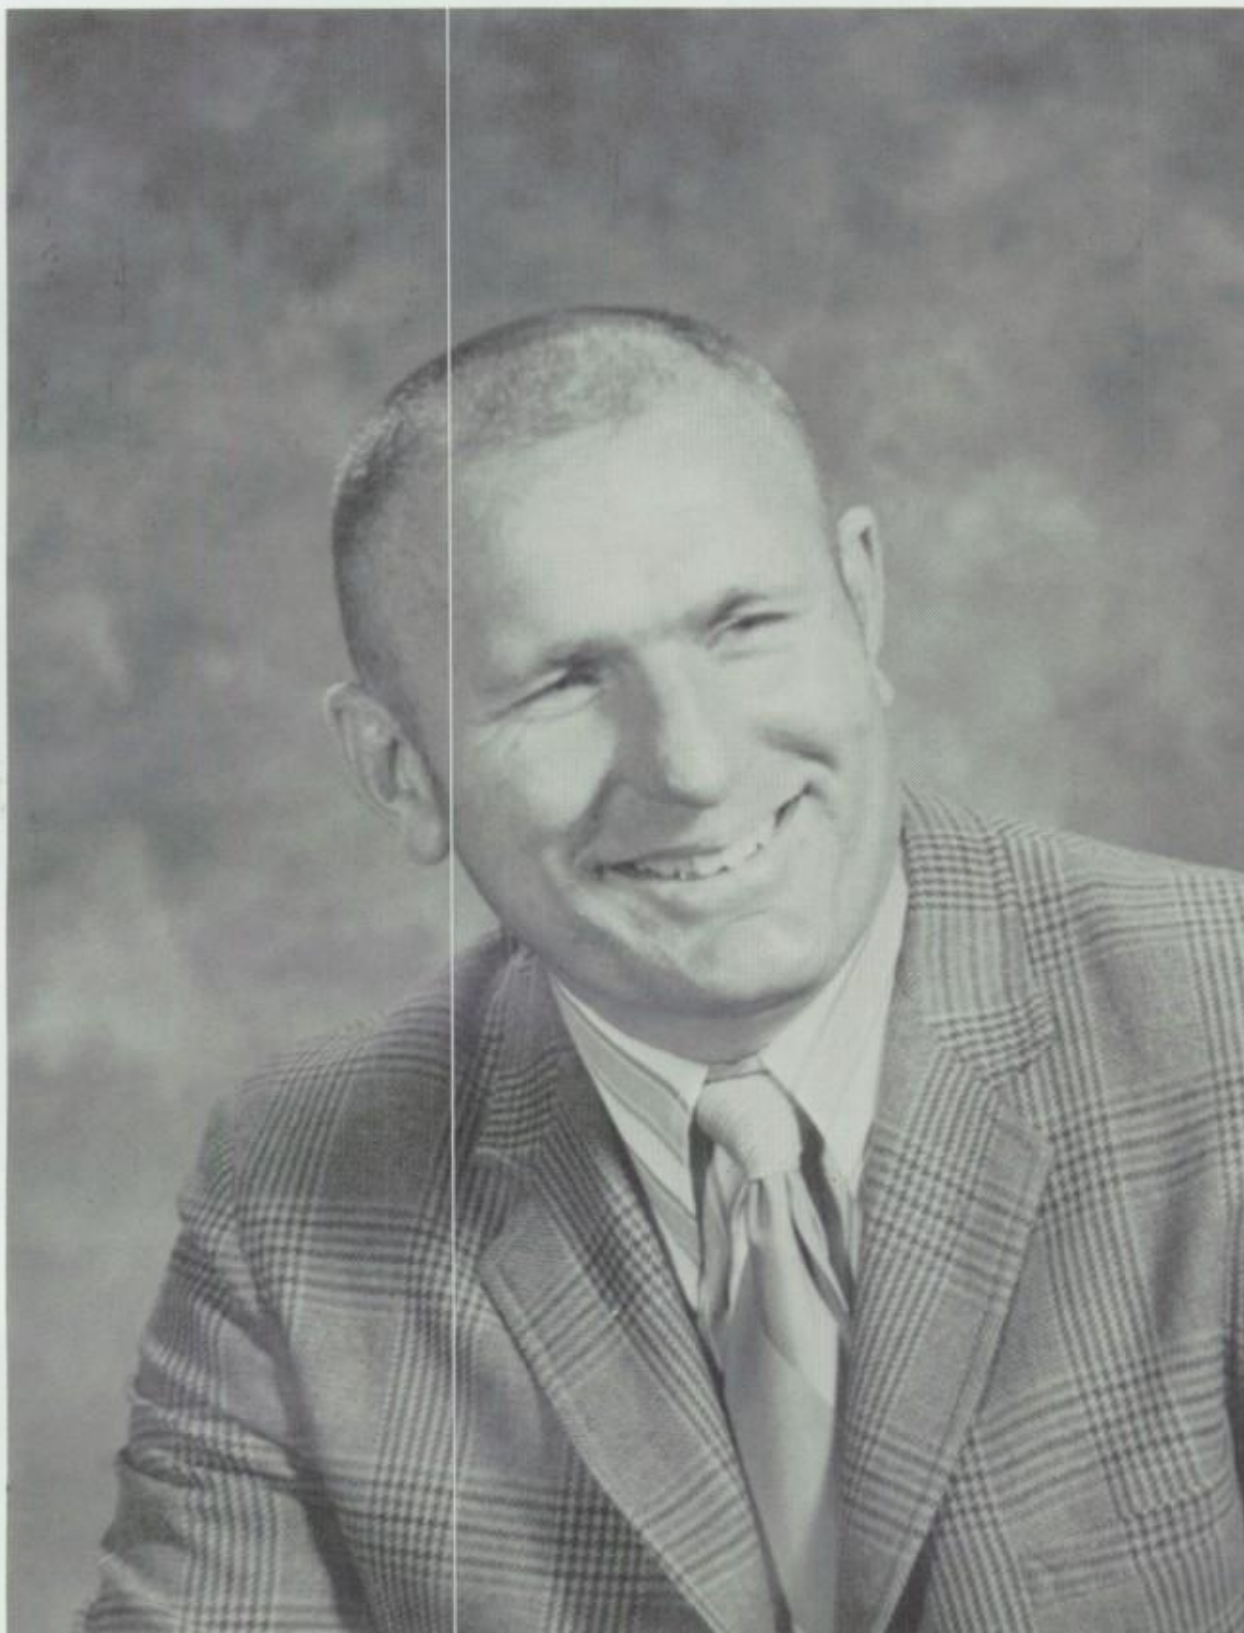

Mr. Lester Perfect  
Supervisor of Maintenance

Mr. D. D. Oates  
Superintendent of Schools

Many of us have fulfilled our expectations of scholastic achievement without adequate consideration given to the needs of living in today's society. In a time when technological change is occurring much more rapidly than social change, we must keep in mind the need to consider each other as individuals and a product of our own particular experiences. As we meet and work with other people, a genuine effort needs to be made to understand all points of view. We must try to put aside personal prejudices toward all human beings and work cooperatively towards the betterment of our society.

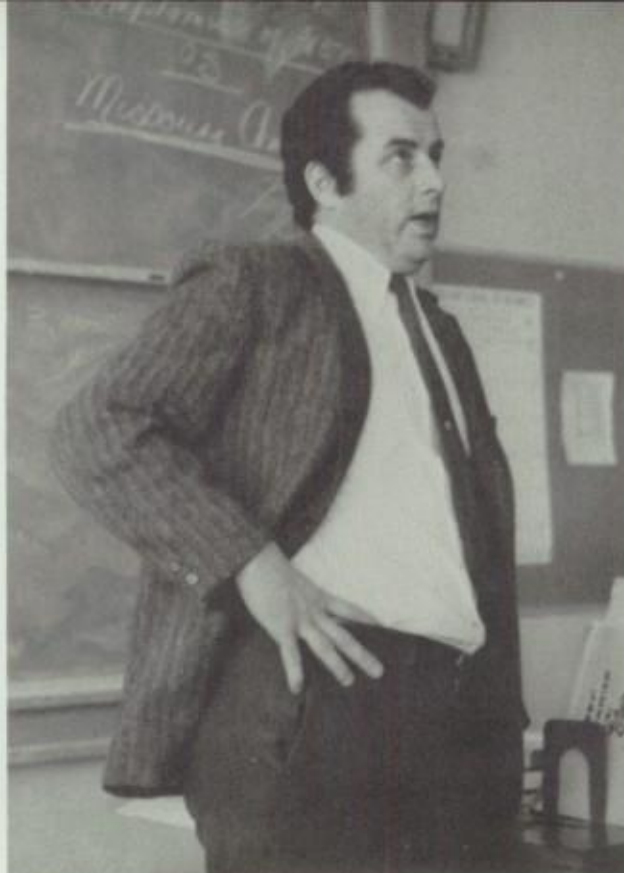

Each of us will make his own impact on society and will bring about a change in the actions and thoughts of other people. If we can look at things objectively, we will have a better chance of improving relationships with other people.

# V A R S I T Y

Lake Stevens started the year off with a case of jitters and lacking confidence let their mistakes cost them the game against Ferndale. The game did prove to the players that they could play good ball against strong ball clubs. With the confidence gained the Vikings were able to overcome their many mistakes to defensively beat Stanwood.

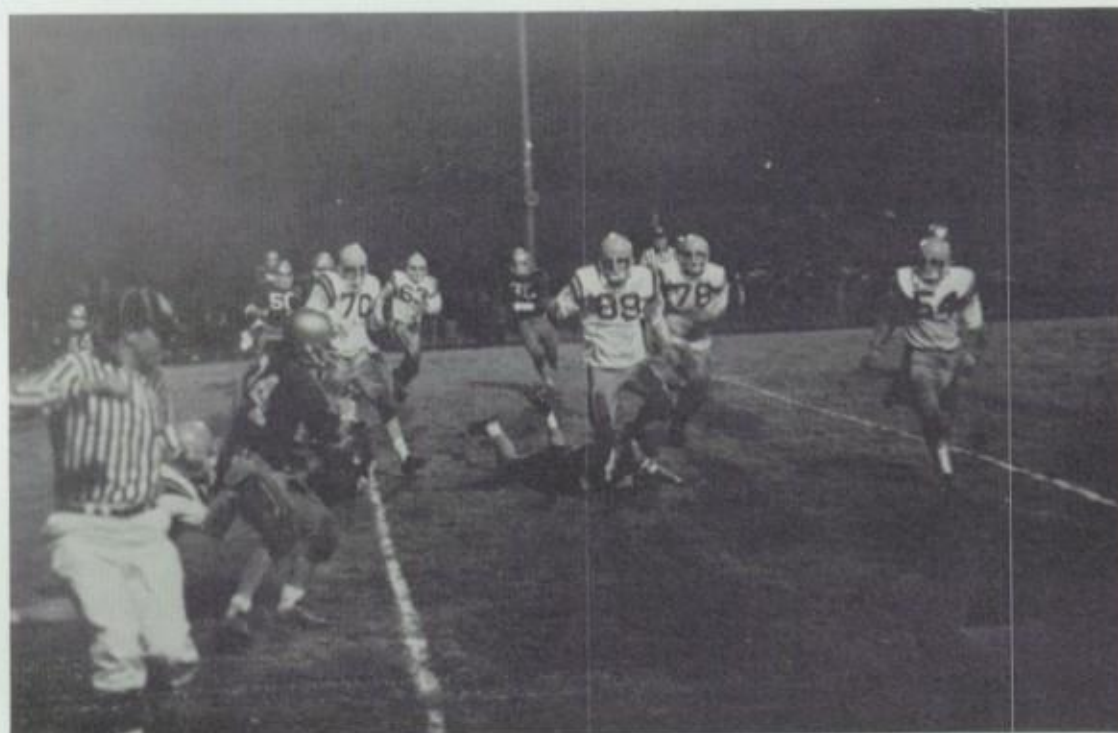

After this game the players found that they had to become a team in order to have any offense, and that is exactly what they did. With an improved offense and a strong defense the Vikings went on to beat Pilchuck, Anacortes, and Arlington. At Arlington the players were called "knats" because of their desire to hustle. The Vikings had become a sixth quarter ball club.

When the Vikings faced the Mount Vernon Bulldogs they surprised everyone by holding the Bulldogs to a tie at half time. Mount Vernon's greater size prevailed in the second half, and they went on to win. Burlington, the eventual league champions and state poll leaders, was surprised by a different Viking offense. But the Tigers eventually overpowered Lake on the ground and in the air to remain undefeated.

The Viking players set their early season goal at five and five and achieved this goal in a close ball game with Monroe. This placed the Vikings in a tie for fifth place with Arlington and Oak Harbor.

Our Vikings had their best season ever since entering the Northwest A. A. After starting the season by winning their first three home games and losing their first three away games, our Viks won the next seven straight.

The final 13-7 record, good enough for a tie for fourth place, was produced by balanced team play of the starting five. In the district tournament Lake lost the first game and was eliminated in a heartbreaking contest with Burlington.

Blair Martineau closed the season as the second highest scorer in the league with a 19.5 points per game average. Tom Hall placed second in rebounding with a 303 total. Larry Palmer and Glenn Peterson were 1-2 in the league in assists with over 200 between them. With Matt Croner as a stalwart on defense, Lake committed the least fouls of any team on our league.

## Wrestling

The High School wrestling team completed its 1971-72 season with 3 representatives in the state tournament held at Bellingham on March 3-4. The season record was 7 wins against 6 losses. The caliber of wrestling at Lake Stevens is improving each year as more and more wrestlers gain experience and a desire to excel; the sophomores and juniors on this year's team will provide a solid corner stone for next year's team. To the seniors graduating this year we wish the best of luck and hope you leave with the knowledge that the season has been a success because of your leadership.

# F.T.A.

Future Teachers of America is a national organization which promotes, as its name implies, teaching. The members in F.T.A. this year gave their time to tutor in two of the elementary schools in our district. This and their other activities made an enlightening year.

The Officers Were:

Mary Miller, President

Lani Mobious, Vice-President

Debbie Westvang, Secretary-Treasurer

Miss Seifert, Advisor.

F.T.A. (back row, From left): Nancy Ward, JoAnn Feiock, Sherri Towns, Wendy Peterson, Lani Mobius. Row 2: Faye Hansen, Sally Martin, Dave Davis, Row 3: Mary Dagastino, Sue Dolphin. Front: Mary Miller

Back row, from Left: Bob Thomas, John Musgrave, Karla Hettiger, Marcia Lindstrand. Middle row: Bob Eberly, Sally Martin, Lani Mobius, Sheryl Calkins, Nancy Ward, Susan Iffrig, Crystal Anderson, Dave Davis, Mr. Leonard. Front row: Barb Neff, Dee Westvang, Diane Wagner, Tommie Cooper, Kathy Stivala, Sue Weis, Leeann Anderson. Sitting: Terry Barrans, John Carter.

OFFICERS: Lani Mobius, Pres.,  
Marcia Lindstrand, Vice Pres.,  
Tommee Cooper, Sec. -Treas.

## Torch Club

The Torch Club is sometimes called the "Honor Society." The members must have a 3.0 grade point average or better. This year the club drew up a new constitution, the first one since the 1950's. An amendment to the old constitution was that sophomores could enter after the first semester of that year.

As a fund raising project for their scholarship the club sold stationery and club pins.

This year's officers were: Lani Mobius, president; Marcia Lindstrand, vice-president; Tommee Copper, secretary-treasurer; Mr. Leonard, advisor.

FRONT, from left: Diane Larsen, Nancy Salo, Faye Hansen. Middle row: Bev Stormo, Shirley Guinn, Janet Schellenberger, Phyllis Atkinson, Sheryl Clawson, Sue Lorensen, Linda Holscher. Back: Luana Dickson, Rosemary Murphy, Sue Thompson, Jane Jensen, Robin Netherland, Candi Marian.

## Medical Science

The Medical Science Club is an organization which gives girls experience in the medical field through volunteer work.

These girls worked for many hours at Merri-Crest Nursing Home, General and Providence Hospitals as a type of nurses aid called "Volunteens." All this work was volunteer (as the name suggests.) At Christmas time the girls made cards and sang carols for the residents at Merri-Crest.

As a fund raising project the girls had a pickle sale.

Officers are: Nancy Salo, president; Diane Larson, vice-president; Diane Wagner, secretary; and Faye Hansen, treasurer.

NOT SHOWN: Mary Alford, Typist, and Mr. Bryant, Photographer and Advisor.

## Annual Staff

The purpose of the yearbook is to give a picturesque coverage of the students and their activities for the past year.

On behalf of the annual staff, I would like to say that we have, to the best of our ability, presented to you an annual which we hope will serve as a meaningful memoir of the 1971-72 school year.

I would like to extend my appreciation to all of those who gave their time and effort so that we could do this.

## F.H.A.

F. H. A. -- Future Homemakers of America. The purpose of this club was to unite the home, school and community, which was done by collecting food for food baskets on several occasions, sending cookies to men in Viet Nam and collecting clothes for needy children.

The theme chosen this year was: "Preparedness, the key to opportunity," which was met by inviting speakers to talk on several subjects.

The officers this year were:

President, Susan Iffrig

Vice-President, Dawn Clark

Secretary, Rhonda Lyons

Treasurer, Monica Large

## Lettermen

The Lettermen's Club consists of all the boys who have earned a letter in one of the various sports.

These athletes earned money by selling pop and snowcones at basketball games. They sponsored the game between the Harlen Clowns and the Jr. and Sr. High faculty.

The money the boys raised was donated to activity fund.

The officers were:

# G.A.A. and Lettergirls

The initials G. A. A. stand for Girls' Athletic Association.

This club is one which gives girls a chance to participate and compete in sports. Every Tuesday the girls meet to practice their activities. The girls have a points system by which they earn points to get their numeral, then their letters. This letter goal is 500 points.

This year the girls went bowling, bicycling, and roller skating.

## Pep Club

This was the second year for the pep club. Their purpose is to encourage and generate school spirit.

The girls had the option of purchasing a purple or gold sweater and Lake Stevens Emblem. They made signs for pep assemblies and games, and held various bake sales.

A special activity of pep club is the Guardian Angels. The girls secretly did little things and brought goodies for the athlete of their choice.

# "THANKS" from the A.S.B.

This year the community of Lake Stevens made it possible for our school to participate in extra-curricular activities. With the closure of school in 1971, there was no money to cover the operation costs of activities such as sports, public band and choir performances, dances, an annual, and school clubs. It was thus agreed upon that if \$17,000 could be raised before the fast-approaching deadline, these opportunities would remain available to the students. A furious struggle to collect adequate donations reached a large number of area citizens and group organizations. Although the effort was great and contributions were generous, the mandatory goal was not reached. Only \$10,000, not even 60% of the total amount of dollars needed was gathered prior to the set deadline.

A last frantic attempt was made to obtain enough money to meet the original stipulation, which was in need of \$7,000. The deficiency was filled when thirty-five people concerned with the development of skills and abilities of young people attending our school signed a bank loan in the amount of \$7,000.

The future of activities at LSHS being assured, organizations continued to raise money to help lower the amount which had to be paid by the co-signers of the bank note. During the summer of 1971, for example, bleachers were erected at the town "Aquafest" so that spectators could, for a small price, view skiing events from a comfortable position. Proceeds from humorous basketball games also went into the fund for school activities.

The student body of Lake Stevens High School thinks highly of and is grateful to the many people--students, their parents, clubs of the community, and individual residents of and near Lake Stevens--who gave their time and money to make it possible for our high school to enjoy the advantages of activities outside the school day this year. If these people had not been as considerate and generous as they were we would not have even had an annual in which to print these words.

# Homecoming

Princesses Sue and Alison.

Jr. class cheerleaders.

The week of Homecoming 1971 commenced with the coronation of the Homecoming Court and ended in this year's Homecoming Dance, "The Moonshiners' Ball."

By Monday morning our school had taken on new decorations. In the shadows of the night, a handful of students from the class of '72' had visited our gym and painted "Seniors, '72'" on the roof. On Tuesday morning the message had not vanished, but had been changed to "Juniors, '72'." This job took less time than the one the previous night, for the Juniors had only to change two letters of the original sign.

The week was also opened by Sophomore Princess Alison Negaard leading her class of "Vikings Disciples." To follow this theme the Sophomores took great care in dressing themselves as disciples and showing their school spirit in supporting the Viking team. Later in the week Sue Weis, Junior Princess, demonstrated her boatsmanship as she raised the sails for the Juniors' class day, bearing the theme of "Viking Voyage." The Juniors interpreted this as a day to dress as sailors. Although there were some officers in the crew, no one thought of anyone as being outranked.

The Senior Class was led by Princesses Shari Tollefson and Cheryl Erickson, who exhibited their class spirit with the theme "Viking Pillage." On this day the Seniors wore white shirts marked by "72" and various other sayings. To top it off, they donned hats

of unending styles. Our Homecoming Queen Janet Beck, was also supplied by the Senior class. She reigned on Friday, the day of the most awaited game of the season.

Friday afternoon the Student Body was entertained at a special pep assembly. Along with the regular skits and cheers there was an extra feature. A few boys from each class showed their feminine charm and coordination by imitating the cheerleaders with hilarious antics. With their spirits up the students were ready for that night's game.

Preceding the Homecoming game was a bonfire built near the football field. The fire, a new event this year, burned until after the game was over. Our boys put up a good fight during the game but couldn't end it in victory.

At half time our band played while a few community members donated their time and antique cars to present our Royalty and members of the Junior Miss Pageant. On the field our players were cheered on as they ran between rows of students.

A barn dance entitled "The Moonshiners' Ball" followed the Homecoming Game. To make the dance more exciting was the "Cold Sweat," one of the best bands we've had at a school dance. Homecoming week ended at the stroke of midnight with the conclusion of our first barn dance.

## Seniors Sponsor "Snowball Boogie"

Sheryl Calkins serves the punch.

The Seniors presented the "Snowball Boogie" in mid December. Patch provided the rock music for the dance.

The couples entered the cafeteria through a fir boughed tunnel and were greeted by Santa Claus and his reindeer at its end. Red and white streamers decorated the cafeteria. Other decorations included a Christmas Tree in the middle of the cafeteria decorated with red and green tree favors.

# Sr. History

1969... Not that long ago but lot has happened to the senior class in three years. We first looked upon the Pink Palace as our educational home, we were unaware of what was to lie ahead.

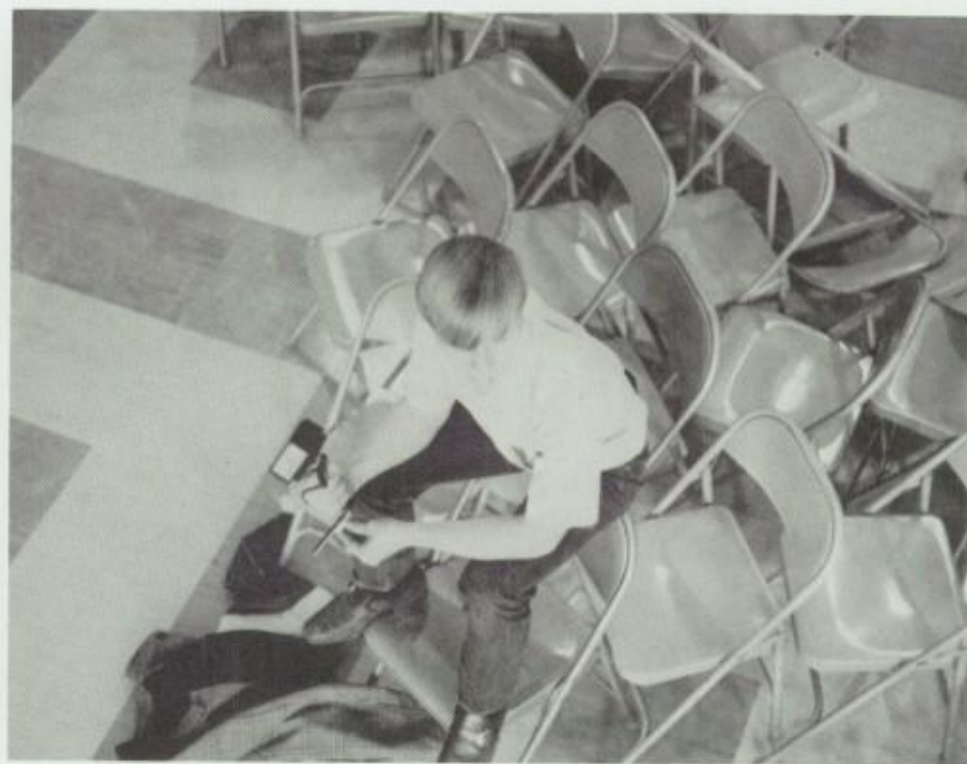

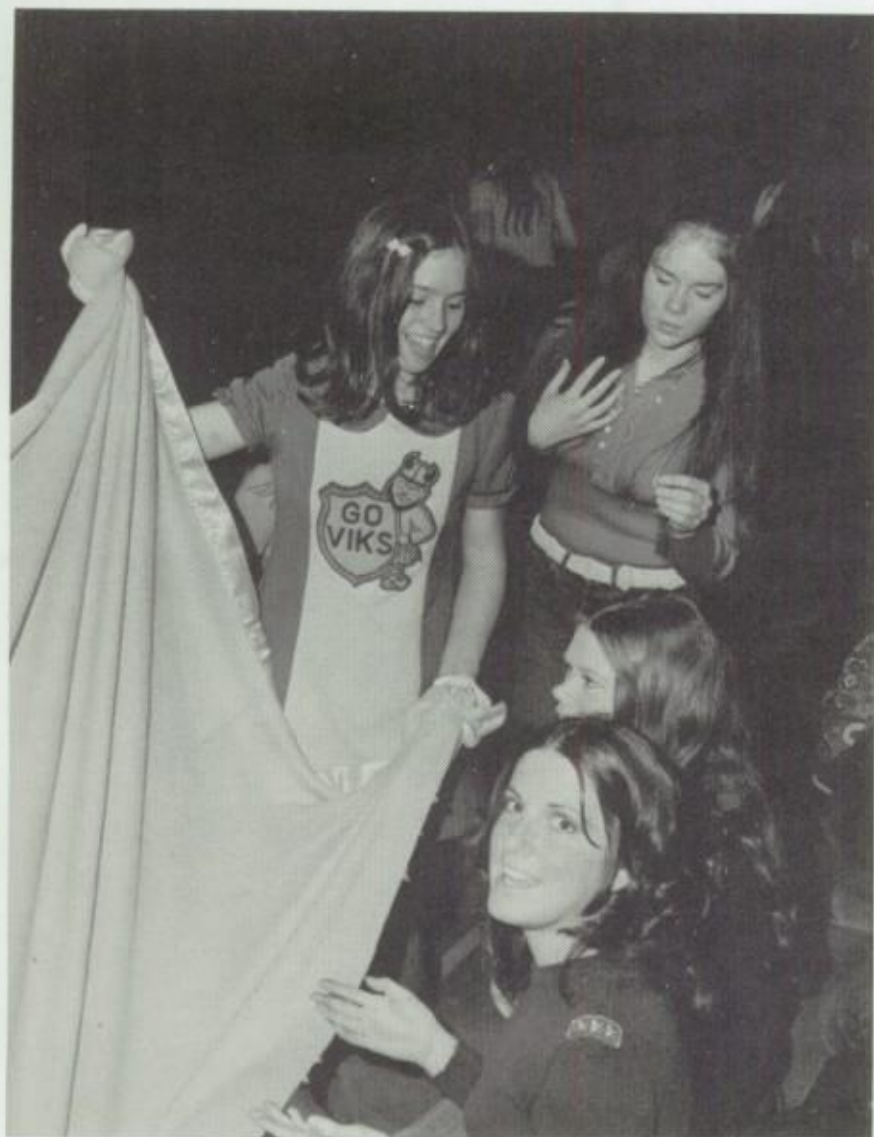

We were changed greatly as we went through such ordeals as Sophomore P.E. Our spirit was being crushed but our pride, still strong, was made evident at the Homecoming Assembly. (Wow! What a trip!) Yes, we followed sophomore class president, Dave Larson through a lot. Many memories will still be remembered of that year.

As juniors we looked forward to a bit of action. We were no longer at the bottom of the totem pole and we figured we could exert some power. But as things went, organization in such a class as this of '72 was hard to get. Too many individuals, maybe trying to make their mark. We had our flops--the Junior Prom and our successes (Remember "the cabin" or our last day "Woodstock" trip). Even though some expectations were not fulfilled, 1971 ended quite a year.

'72--What a magic number. So proud it was to be emblazoned on the gym roof (Right K, K. ?). Over two-thirds of our lives so far, is coming to an end. We would like to think we have left a little something behind in the school. Let us hope, in years ahead we can offer our own ideas in the world system, and maybe make the final changes necessary.

P.S. Have fun this summer, and I enjoyed knowing  
and copying from you this year.

Cindy -  
I'll never  
forget that  
that was fun.  
Remember when you  
sleep-walked.!!  
That was funny  
Good Luck  
the summer  
See ya next  
year  
Deb!

Cindy,  
Here is my  
autograph.

Have fun this summer!  
we had fun in biology  
when it lasted. See ya  
next year (its early to write  
anything)  
Love

Cindy,  
It was really fun  
sitting by you in  
español. I hope you have  
fun this summer. See  
ya around, okay?

Love,  
Kathy

Cindy, been  
It's been a great experience  
knowing ya this year.  
Hope you are in my you  
classes next year. You  
really love them up.  
How's ROVER?  
Love ya

Cindy,  
To a punby  
sophomore. Have fun  
in your junior and  
Senior years. Remember  
every cloud has a stiff  
upper lip! Good luck &  
have fun. "73"

Cindy have a  
hope you have a  
good summer and  
make sure that nose  
stays warm. Brian Ramey

Cindy  
Have fun this  
summer and good  
luck in the future.  
Been great watching you  
stuff.

Cindy,

Gee I sure  
hope your not in  
any of my classes  
next year. Your  
to smart and I  
look super dumb  
beside you. (just  
kidding about the  
part where I  
said I didnt  
want you in any  
of my classes.)  
Have fun this  
summer.

Sue

Cindy,

Have fun this  
summer & be good  
(if you can) & stay  
as funny as you  
are. Love,

Cindy Morton

Cindy,

Boy, am I glad you  
have your music around usually.  
You've got an interesting personality;  
don't conform to society too much.  
Stay human.

Cindy,  
It's been fun  
knowing you. Have  
a good summer. Take  
what you do.
